(d) to (f) LNG is not supplied at administered price. Further, Kochi LNG terminal is not in operation; it is under construction and is planned to be commissioned in 2011-12. As the supply of RLNG from Kochi LNG terminal has not yet commenced, therefore no comparison can be made between the price of LNG available at Gujarat and the LNG to be available at Kochi at this stage.

Supply of gas cylinders at door-steps

1749.SHRI P. RAJEEVE: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether gas agencies are supposed to supply gas cylinders at the door-steps of consumers so that they could get satisfied of any damage/leakage of cylinders and the weight of the cylinders;

(b) if so, what is the rule prevailing in that regard;

(c) whether some gas agencies in Kerala, are not following the rules and consumers are forced to take cylinders with their own conveyance and, many a times, the cylinders do not have proper weight; and

(d) if so, what action would be taken against those errant agencies?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI JITIN PRASADA): (a) to (d) Public Sector Oil Marketing Companies (OMCs) have given instructions to their LPG distributors to ensure that their delivery men carry with them a spring balance and the weight of the cylinder is shown to the customer while supplying the LPG cylinder. OMCs have also given instructions to their LPG distributors to connect the filled cylinders to the LPG installation and check for leakage in the presence of the customer. If during inspection any deviation is found or any instances of any distributor forcing the consumers to take delivery at the godown brought to the notice of the OMCs, suitable action would be taken against the LPG distributors in accordance with the provisions of the Marketing Discipline Guidelines (MDG). In case any under-weight cylinder is received by the customer, such cylinders are replaced free of charge by the OMCs.

Bursting of cylinders

†1750. SHRI BHAGWATI SINGH:
SHRI JANESHWAR MISHRA:
Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that accidents due to bursting of gas cylinders and cylinders used in CNG operated vehicles are occurring in the country, thereby causing loss to life and property;

(b) if so, the measures being taken by Government to check such accidents; and

(c) the details of norms and parameters thereof?
